Actual Result

OTP was received successfully and user logged in without any issues.

Status

Pass ✓

Search functionality worked correctly and relevant properties were displayed.

Pass ✓

Property shows as bookmarked, but does not appear in the Bookmarks/Favorites section. Instead, the Explore page is displayed.

Fail ✗

Property details, images, location, and specifications were displayed correctly.

Pass ✓

Property was posted successfully, but the property link could not be shared/opened by another user.

Fail ✗
